TRAPPERS RUSH TO AID OF CITY; SKUNKS COME TO GRIEF IN SHORT ORDER

The appeal of the city commission of Farmington for aid in putting to rout the vast numbers of skunks which have infested the city and environs recently, has borne fruit. According to statements made at the city commission meeting Monday night, one trapper, Gus Long, caught 32 of the animals within a few days after the call was broadcast. Other trappers are at work, and are reporting good returns.

CITY HEALTH OFFICER GETS STATE NOTICE ON EXAMINATION OF DRIVERS

Dr. J. A. Miller, city health officer, has received from the State Department of Health a communication notifying him that all applicants for chauffeurs licenses must pass a health examination. This applies to every driver for hire, whether a bus, truck, or taxicab driver.

Dr. Miller states that each member of the County Medical Association has been designated as an examining physician for this purpose and that drivers may be examined by their own physician if they choose. Those who have chauffeur's licenses as well as new applicants must pass examination.

NICKEL LOAF RETURNS WITH REDUCTION BY A. & P. CHAIN STORES

This week marked another step along the lines of reducing food costs when on Monday the Great Atlantic & Pacific Tea Co. reduced the prices of bread bringing the large loaf down to 8c and the one pound loaf to 5c. The reduction is in line with the usual practice of this company of passing on any savings

in their cost to the public. It was stated positively that the company is making a satisfactory profit at these prices without altering the quality of their bread in any respect.

These prices represent the lowest level in this section of the country since before the war.

LAKE DRIVE GARAGE AGAIN DRAWS INTEREST WITH UNUSUAL DISPLAY

W. F. Goers, proprietor of the Lake Drive garage, this week added to his reputation for beautiful window displays in keeping with the season. Mr. Goers, whose Halloween decorations of his salesroom aroused much comment, is being complimented on the Christmas display which has been completed in his showroom.

A beautifully-trimmed Christmas tree has been placed in front of a lattice-work, the whole covered with imitation snow, affording a pretty setting for the two motor cars on the showroom floor.
