MICHIGAN BANKCARD

Nixon Nears Nomination; Lacks 39 Votes

WASHINGTON — Richard M. Nixon lacks only 39 votes to nail down a first-ballot victory at the Republican National Convention, the chairman of the House Republican Conference has announced.

Rep. Melvin R. Laird of Wisconsin also predicted national polls that show Nixon trailing the Democratic contenders will shift once the convention is over.

"I believe that Dick Nixon is behind at the present time merely because he is not speaking out on the issues," the GOP leader said.

TACOMA, Wash. — Civil rights activist Dick Gregory, suffering from a cold after fasting in jail for 39 days, has been given oxygen to aid his efforts.

The Negro comedian has been moved to a Tacoma Hospital from his cell in Thurston County Jail in Olympia, where he was serving a 90-day sentence for illegal fishing during an Indian fishing rights demonstration in 1966.

But, Warren told a news conference, he expects Ford to be approved despite the declared opposition of 19 Republican senators and he believes Ford will be "a great chief justice."

Michigan's Robert P. Griffin, leader of the Republican opposition bloc, declined comment on Warren's declaration.

Opelika, Ala. — A ghostly body, anchored to a lake bottom by a concrete slab, slipped away from skindivers as they tried to bring it to the surface.

But the divers did recover a pistol and a strongbox taken in a burglary more than two years ago.

Shapiro's officers said they had no clues as to the identity of the body, believed to be a woman.

NEW YORK — Becoming a millionaire is getting easier all the time. The Federal Reserve Board says there were 40,000 in 1958 and 100,000 in 1965. The inflation of the past three years may have doubled or tripled this number.

National Roundup

WASHINGTON — Congress returned from a short Fourth of July recess faced with a stack of money bills, a few major administration proposals and visions of the earliest adjournment in a dozen years.

Most senators and representatives are optimistic that they can be out of Washington by the time the Republican convention begins Aug. 5.

CHICAGO — After seven and a half hours of negotiations between dissident drivers and management, Mayor Daley announced the end of the Chicago transit authority bus strike. The wildest strike had lasted five days.

HYANNIS, Mass. — Mrs. Robert F. Kennedy and four of her children attended a requiem mass in St. Francis Xavier Catholic Church for her assassinated husband.

Some 500 persons attended the mass, traditionally held 30 days after a death or burial.

LONGVIEW, Wash. — A wooden footbridge jammed with people watching Fourth of July fireworks collapsed, plunging scores of people into a lake near the center of Longview. All apparently survived.

Police Chief Ralph Benetel reported that as many as 200 people may have been on the bridge. Skindivers searching Lake Samish reported finding no bodies.

WASHINGTON — Chief Justice Earl Warren said he will remain in his present position if the Senate does not confirm Abe Fortas as his successor.

COLUMBUS, Ohio — Black campaign aides of presidential aspirants Eugene McCarthy and Vice President Hubert Humphrey decided to remain for the closing of the Congress of the Racial Equality (CORE) convention, despite the abrupt cancellation of a rally which they had been invited to address.

NEW YORK — West German Chancellor Kurt Georg Kiesinger's testimony in Bonn at a war crimes trial was "astounding and shocking" according to Dr. Joachim Prinz, chairman of the commission on international affairs for the American Jewish Congress.

Prinz, a rabbi in Berlin expelled in 1937 for criticizing the Hitler regime, called Kiesinger saying it was inconceivable that the chancellor did not know "something ugly" was happening as early as 1933.

STANFORD, Calif. — Police officials blame arsonists for the recent fire which destroyed Stanford University President Wallace Sterling's office, causing \$100,000 damage in a two-story administration building. Sterling's personal rare book and memento collection gathered over 40 years. He retires as president Sept. 1.

HTH Dry Chlorine limits pool use to people.

No bacteria and algae allowed.

People are in. Bacteria and algae are out. Thanks to HTH Dry Chlorine. Comes in easy-to-use tablets, granular form, or our new HTH Bagettes. Looking for pool purification tips? Ask the man who sells HTH. He's taken an HTH Pool Consultant Course. And he's an expert on pool care.

(As advertised in LIFE)

HTH Dry Chlorine—the mark of an educated pool owner

HTH is an Otis trademark

HTH Dealers are listed in the Yellow Pages under "Swimming Pool Equipment and Supplies"
