Spectacular events are in progress each week through the summer at Lake Miramichi. This is the third and final sales year at the beautiful, deep water Michigan lake in the North Country.

Lake Miramichi was bypassed for years by people in the Detroit area en route to Mackinac Straits. Fishing here is fabulous... Northern Pike to 20 pounds, bass and bluegills in numbers and sizes that will astound you. SEEING IS BELIEVING!

Meet Stan Marsh, our hunting and fishing guide with 41 years experience. He will show you where to catch the big ones at Lake Miramichi.

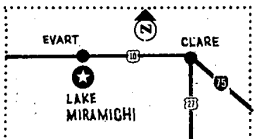

Membership entitles you to all the privileges of this private Property Owner's Association. When you purchase a lot at Lake Miramichi, you're buying more than land, you're buying ACTION and RECREATION at the finest unspoiled lake in Michigan's North Country.
