HOME TALENT PROGRAM FOR FLOOD SUFFERERS

In an effort to raise money for the relief of sufferers from the Mississippi floods, Mrs. Erskine Evans of the local Red Cross unit is sponsoring an entertainment to be given entirely by home talent.

Mrs. Evans expects to call on the wealth of home talent in and around Farmington to assure the success of the program, which will be given several weeks hence. She asks that all those who have talent for entertaining and who wish to volunteer for the worthy cause, telephone her at Farmington 40-F31. A silver collection is to be taken at the door on the night of the entertainment.

OAKLAND CARS SHOWN IN POPULAR NEW COLORS

The sweeping popularity of the fresh new shades and tints of blue and green recently announced for the greater Oakland Six line, bears out the preference of feminine America for colors in tune with milady's popular colors and that their selection made by color authorities and a noted color expert, Capt. H. Ledyard Towle, who periodically travels to continental Europe to study the styles and colors of women's apparel.

The recently announced colors for the Oakland Six are shades of blue and green (discreetly used in two tone color combinations and trimmed with delicate striping applied to the respective body types.

The best dairy authorities urge feeders to keep their cows in the barn, on a full grain ration, at least a month longer than is customary. The slight extra investment for grain will be more than repaid in fall and winter milk checks.
