

MEMORIAL DAY 1927

MEN OF
AMERICAN

GROVES-WALKER

THE
LEGION

POST NO. 346

WE JOIN with you this Memorial Day in perpetuating the memory of your comrades who marched away with you ten years ago---but who never came back. We are happy to share your conviction, "That They Did Not Die In Vain."

As our hopes went with you ten years ago, so our hearts are with you today in all your efforts for a Greater American Legion and a Finer American Manhood.
