The Relief of Women

The Electrical Range gives immense relief to women in their most anxious and exhausting domestic task.

It makes cooking more of a pleasure than a toil. No fire or smoke or fumes; no grime on kitchen walls; no standing over a hot fire; no worry at all—the cooking process is automatic; it allows you to forget the kitchen until meal time.

Come in and let us tell you many interesting things about the Electric Range

FAMOUS DRIVERS ARE READY FOR 150-MILE AUTO RACES SUNDAY

The mile track on fair grounds is ready for running of the 150 mile auto races Sunday, July 31. Named for the fact that Detroit is the motor city of the world the race divided into two sections, the first for the fastest 14 cars over a 100 mile route and the second for the second fastest 14 cars over a 50 mile route bears the name Motor City Sweepstakes.
