with an OK that counts

Amazing Values and Easy Terms

If you expect to buy a used car—come to our stockroom and inspect our stock of O. K.'d reconditioned cars. We have the car you want at a price that will please you—and our terms are unusually reasonable, with the lowest financing charges available.

The red "O. K." tag attached to the radiator of every one of our reconditioned cars, is your definite assurance of quality and value. It means that the car has been gone over completely by expert mechanics, using genuine parts for all replacements. Watch for this tag—and buy with confidence.
