GOD ENABLED PEOPLE TO WRITE THE BOOKS THAT WE ENJOY

Have you ever thought about how empty our lives would be if it weren't for books? We have them in our homes and yet seldom appreciate the wealth of learning and enjoyment they have brought to us. They are relatively inexpensive, particularly the paperbacks, compared to what they offer us, and they may be borrowed free of charge from our local library. Books cover virtually every subject in the world; including science, history, astronomy, adventure, romance, westerns, mysteries, children's stories, advice on everything from cooking to gardening to home repair, etc., and religion, which includes the greatest book of all, the Bible. At your House of Worship, thank God for the ability He has granted to the authors of all those books, which have done so much to enrich our lives.

Without books, history is silent, literature dumb, science crippled, and speculation at a standstill.
-Barbara W. Tuchman

I suppose that the world itself would contain the books that should be written.
-John 21:25
