

1991 Grayling Uptown Christmas Walk

The plans for the 1991 Christmas Walk are well underway.

With the theme Family Traditions, New Found Friends, Back Home to the Heart of Christmas, this year's event is designed to be a quality experience.

It will be a two day event including both Saturday, November 16th, and Sunday, November 17th. On both days the hours of the celebration is from 11:00 a.m. to 5:00 p.m.

This will be a special time of entertainment, refreshments and shopping. A time of making the buying public aware of what is available for their gifting needs for the holiday season in an exciting and festive atmosphere.

The participating busi-

nesses make a commitment to have their shops decorated for the season along with refreshments and musical entertainment in many shoppes.

You can also expect an old fashion trolley circling the Christmas Walk route, this service will provide transportation from the parking areas as well as the motels.

New for 1991 is a grand finale of live music drama and dance. This will take place on the stage of the Rialto Theater at 4:00 p.m. on Sunday. This should be a great way to end the Christmas walk and begin the Christmas season.
