This week's question:
What do you think of the tough new drunk-driving law coming Jan. 1?

We asked this question at the Farmington Branch Library.

"I think it's good. People have taken a lazy view of drunk driving for too long."
— Kent Graham
Grease Pointe

"I'm a member of SADD (Students Against Drunk Driving) at Livonia Stevenson High School, so I greatly favor stricter laws."
— Cheryl Kibby
Livonia

"It's time they had stricter laws — set some boundaries."
— Domanica Paditto
Farmington

"Hopefully, it will make people stop and think about their own actions and responsibilities."
— Sherry Deog
Farmington

"I think it's the right thing to do. Laws need to be tougher. They are in Europe. They lock you up for a long time for drunk driving."
— Bob Janson
Farmington Hills

"Laws should be strict but I don't believe in ripping them (licenses) up."
— Larry Schweim

"I diet all the time. Why am I still **Overweight?**"

Dieting alone won't help you take weight off and keep it off.
Providence's NEW DIRECTION Weight Management Program can help.

It's a weight control system with everything you need to lose weight. It begins with medically supervised, safe, rapid weight-loss and nutrition education. These are combined with behavior modification and physical activity to help keep weight off.

So if you have at least 40 pounds to lose and want a medically supervised program, come to Providence's NEW DIRECTION Weight Management Program.
