

New member joins cable commission

The Southwestern Oakland Cable Commission thanks Joe Toth for his dedicated two years as a commissioner representing the City of Novi. He is particularly well-versed in the area of telecommunications and gave serious consideration to each matter, always asking the tough questions. He assures the commission that he will continue to be involved.

Councilman Hugh Crawford is welcomed by the commission, replacing Mr. Toth. Hugh has always been an interested Novi resident as it pertains to the subject of cable. Welcome aboard, Hugh. Channel 12 welcomes back Farmington Hills resident Diana St. Clair. Shores of Your Mind is a television series which explores psychic phenomena. It will be live from 3-4 p.m. every Monday. Leigh Byrd of Metro-Vision is the technical adviser for the program. Be sure to tune in and be part of this lively exchange.
