Just for brides

The Monthly Album is published the third Monday of each month for the announcement of engagements and weddings. All announcements are published on a first-come-first-served basis.

Information sent must be legible and include a daytime telephone number so if there is a question the staff can call.

Photos submitted should, preferably, be black-and-white glossy, 5-by-7 inches in size. Color photos can be submitted and will be accepted, but they do not reproduce as well.

Due to the volume of photographs handled, the newspaper will not be responsible for any that may get lost or

damaged. Photos can be picked up after publication in the Farmington Observer office, or if a self-addressed sufficiently stamped envelope is received with the photo, every effort will be made to return it. However, photos do get lost because so many are handled every month. There is just no guarantee the photo will be returned.
