

SPRING

IS SPRUCE-UP

TIME!

Is your home winter weary?
And are you full of the vim and
vigor that comes with every
spring?

Do you have all kinds of
decorating ideas, but no money to
make them come true?

New wallpaper, paint and
paneling can be yours in a jiffy,
when you put an Observer Want
Ad to work for you. So, raid your
attic, your basement, or your
garage for things someone else
may want. That perfectly good
chair could mean new draperies
and that lamp you couldn't find a
place for in the living room could
mean a fresh coat of paint for the
kitchen.

See how easy it is? And it gets
easier. Just call your friendly
Observer Ad Taker and place your
ad. Now wait for your phone to
ring.

Let us help you swing into spring decorating!
