# Give yourself a raise this year

'A great way to raise your income in '92 is to lower your outgo. Mortgage interest rates are lower than they've been in years; so refinanceing is making more sense for more people.

To find out how much you can save, call ICM and ask about refinancing your current mortgage loan.

With rates this low, you'll want to pick up the phone and let us run your numbers. It could be the most money you have ever saved with a phone call.
