

Tupper honored as distinguished citizen

Richard L. Tupper was named the recipient of the 1992 Distinguished Citizen Award at the recent Jaycee Community Leadership Prayer Breakfast.

This award is presented annually by the Farmington Area Jaycees. Tupper was out of town on a business trip. The award was accepted by his son, Brian, who is associated with his father in the family business, Tupper Exco and Hardware of Farmington Hills.

Tupper, a longtime resident, community leader and graduate of Farmington High School, is a Farmington City Councilman and has twice served as mayor.

Richard L. Tupper

Tupper has been involved with the Farmington Area Goodfellows since 1961, and served as its chairman since 1975.

He coordinates the many committees that make up the program, including the paper sale, dress, shirt and jeans program, canned food drive, doll dressing, business solicitation, packing and delivery.

THESE ACTIVITIES help the Goodfellows to achieve their goal, "No Child or Senior Without a Christmas."

Goodfellows deeds are not limited to the holiday season, however. Throughout the year, in cooperation with the Head Start Program of the Farmington Public Schools and Neighborhood House of the Salvation Army, the Goodfellows stand ready to help the less fortunate in our community with emergency funding to pay unexpected utility bills, buy shoes and clothes so kids can go to school, fill a prescription, pay for an emergency visit to the physician or the dentist, or provide furniture and repairs for a burned-out family.

Tupper and his wife Donna live in Farmington and have three grown children, Brian, in business with his father, Barbara, a medical technical service representative with Johnson and Johnson in New Jersey, and David, a school teacher in Columbus, Ohio.

In Japan, kids go to school 62 hours a week. Ours go 28. No wonder ours are falling behind.

Educationally, it's tough to compete with some other countries. But Sylvan can even the score. We guarantee your child's skills will improve one full grade level in reading or math after just 36 hours of instruction. Or we'll provide up to 12 more hours - free.

Sylvan offers help in reading, writing, math, algebra, SAT ACT college prep, study skills, homework support and time management. Give your child the competitive advantage. Call Sylvan now.
