OUR NATION'S LEADERS WERE ALWAYS LED BY GOD'S GUIDANCE

The leaders of our nation have always had to face many seemingly insurmountable problems, both at home and abroad; so many, in fact, that we wonder why they ever wanted the job. Moreover, no matter what solutions they proposed, they always received a mixture of praise and criticism at best. However, since they knew in advance to expect this, it is all the more to their credit that they were willing to take on the often thankless assignment. They differed in their philosophies and in many other ways, but they all had one thing in common: they prayed for God's guidance to help them make the right decisions, knowing that their actions would affect our nation's destiny for years to come. At our House of Worship, concerned with only the destiny of our own families, we would nonetheless do well to follow their example.

Let us have faith and let us dare to do our duty as we understand it.
- Abraham Lincoln

He that ruleth over men must be just, ruling in the fear of God.
