

Rivertown skate aids MS research

On Saturday hundreds of in-line skating enthusiasts will take to the pavement in Detroit's premiere Rivertown location to participate in rolling on the River.

While participating in America's fastest growing sport, these in-line skaters also have another purpose — raising money for Multiple Sclerosis (MS).

Rolling on the River will begin at Strub River Place where a 5 kilometer race will kick off the morning, followed by a day of leisure skating when participants will raise funds for the number of miles they skate.

Participants can enjoy a safely secured route, checkpoints stocked with water and fruit, medical sup-

port, and lunch.

Family and friends are welcome to enjoy the on going courtyard entertainment including roller dancing exhibitions, childrens activities, karaoke and skating lessons.

Funds raised will be split to provide research and services to persons with MS, and beautification projects for the Rivertown Community Task Force '92.

Multiple Sclerosis is a chronic, often disabling neurological disease of the central nervous system.

The Michigan chapter has one of the highest MS incidence rates in the country. MS usually strikes adults between the ages of 20 and 40. Pledge dollars will help fund re-

search and provide services to the nearly 15,000 persons with MS and their families in Michigan.

Anyone interested in skating, making pledges or volunteering for Rolling on the River should call the Michigan chapter of the National Multiple Sclerosis Society at (313) 350-0020 or 1-800-247-7382.

Rolling on the River sponsors include: MGMT Bicycle and Fitness Equipment, River Place Apartments, Strub Brewery Co., Wellness Plan, McMillan Bros., Andrews on the Corner, Duplinsky's, Coconut, Jus, Borden Quality Snacks, Westborn Market, Harbortown, City Rollers, Chris Nordman and Associates, and Sundance Cafe.

raising concrete.

Camp aids kids from alcoholic families

The Maple Grove Day Camp is now taking registration for two week sessions which begin June 22 and July 6.

The camp, designed to provide fun and education for children from alcoholic or drug-dependent families, will be held from 9 a.m. to noon four days a week on the grounds of Henry Ford Health System's Ma-

plegrove Center in West Bloomfield. An optional overnight is available during each session.

The children, limited to 30 per session, will learn through activities co-ordinated by trained volunteers from Maple Grove Community Education.

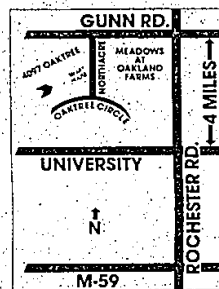

Although the camps will be co-sponsored by West Bloomfield

Parks and Recreation and supported in part by the Junior League of Birmingham, there is a suggested donation of \$20 for the first child in a family, and \$10 for each additional child.

Children in first-seventh grades from all communities are welcome while space permits. To register a child, call 661-6170.

THERE'S STILL TIME TO VISIT MICHIGAN'S FIRST ALL-ELECTRIC SMART HOUSE

Smart House offers advanced technology for home building that puts home automation and energy conservation at your fingertips. The future of electronic sophistication is here today.

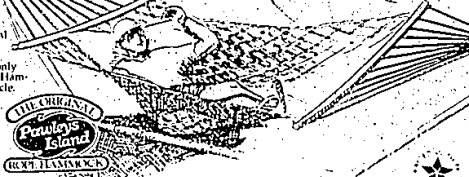

Open through June 28.
No admission charge.
Hours:
Thursdays and Fridays
4 to 10 pm;
Saturdays
Noon to 10 pm;
Sundays
Noon to 8 pm.

You'll Love How Hard You'll Work

You'll love how hard you'll work.

We won't kid you. Getting a college education isn't easy. If you're a community college graduate, you already know that.

You also know that the more education and experience you have, the better your opportunities to find a job in your field.

At Wayne State University, our students fresh out of college — are getting those jobs. Wayne State's close relationship with industry and southeastern Michigan businesses helps our students land prime internships and part-time jobs. And

experience counts. In fact, in 1989-90, nearly three out of four of our students had jobs in their fields within six months after graduation. Some people find that amazing. At Wayne State University, we expect it.

A college education at Wayne State University isn't easy. You'll work hard. And in the end, you'll be glad you did.

Wayne State University is an Equal Opportunity/Affirmative Action Employer.
