By C.C. Clark

CANCER (June 21 - July 22)
Be wise in matters of finance. There are changes for the better in the works for you. Keep an open mind and make the right choices.

LEO (July 23 - Aug. 22)
Find a way to relieve stress and rid yourself of anxiety. Negativity will surely do harm to your mind and body. Take a day to pamper yourself.

VIRGO (Aug. 23 - Sept. 22)
It's time for the workaholic Virgo to take a long, much-needed rest. It seems you can't please anyone lately, least of all yourself. Review your priorities.

LIBRA (Sept. 23 - Oct. 22)
Those around you may be taking advantage of a specific situation. Someone is trying to get your attention; show you care.

SCORPIO (Oct. 23 - Nov. 21)
The road is rocky and it's not going to get any easier for a while. Rely on strength to get you through whatever might come your way.

SAGITTARIUS (Nov. 22 - Dec. 21)
A new friend may not be all he or she seems to be. Don't let a nagging health problem go unchecked. Your lagging spirit will be uplifted.

CAPRICORN (Dec. 22 - Jan. 19)
Don't let confusion get in the way of finding out the truth about a certain situation. Be tactful, especially when dealing with the elderly.

AQUARIUS (Jan. 20 - Feb. 18)
All is not lost. You have a lot more going for you than you might realize. If you have done something wrong, you should come forward and confess.

PISCES (Feb. 19 - March 20)
A disagreement with someone close to you could put your nerves on edge. This period of unease will soon pass and your spirit will be renewed.

ARIES (March 21 - April 19)
Make your feelings known to those around you. You may surprise a few people with your ingenious ideas concerning a certain project.

TAURUS (April 20 - May 20)
Try to stay out of trouble. You probably feel mad at the world, so take a few hours to cool down and see what is good in your life.

GEMINI (May 21 - June 20)
An unexpected turn of luck is headed your way. The odds could definitely be in your favor. Don't overindulge in food or liquor.
