**FAITH DECLARES A BUDGET VACATION AN ENJOYABLE ONE**

Vacation time is here for many of us, and this year it may have to be a low budget one. However, wherever we live in this wonderful country, there is always something beautiful to see nearby, as well as some fun things to do; even if we just lounge around the back yard and maybe take an occasional ride to the woods or a beach, if there's one handy. It's not necessary to spend a lot of money in order to have a good time, escape from the cares and chores of the rest of the year, and see the wonders of nature. Just remember that God made this world we live in, and He put a lot of beauty into it that man, with all his huge shopping malls, etc., cannot completely eradicate. Remember also that God will be watching over you, whether you're at home or away.

"I am with thee and will keep thee in all places whither thou goest."  
-Genesis 28: 15

So didst thou travel on life's way, in cheerful gladness,  
-William Wordsworth
