Presented as a Public Service Announcement

Men, if you're within one month of your 18th birthday, it's time to register with Selective Service. It's simple. Just go down to your local post office, fill out a card and hand it to a postal clerk.

No, this is not a draft. No one has been drafted in over 10 years. You're just adding your name to a list in case there's a national emergency. So register now.
