

With Hudson's as your silent partner, you can keep winter away from your door

Now's the time to get ready, for (like it or not) cold weather's on its way. But our Home Improvement Centers have all the first aid you need to hibernate in comfort—and all the know-how to help with any of your problems. Beginning with the best materials available, and the soundest dollar-for-dollar values, we follow through with a crack staff of salesmen who are trained to lay it on the line when it comes to technical advice. You can come to consult them at the store nearest you, where you can look over our many idea-filled displays—or we'll go to your home to give estimates. When it comes to arranging for installation, we trust that only to the top men in the field. And always, we're as near as your phone! Call Downtown, 223-5100, ext. 2997; Northland, EL 6-1313, ext. 632; Eastland, DR 1-3232, ext. 304; Westland, 425-4242, ext. 555; Pontiac, 682-3232, ext. 342; Oakland, 585-3232, ext. 521.

Install a total comfort system that warms in the winter, cools in the summer. Lennox gas furnaces that range from 55,000 BTU's to 200,000 BTU's are the right beginning. Add to

this an air conditioner for use in summer (19,000 BTU's to 50,000 BTU's), an electronic Lennox air cleaner to remove most airborne particles, a power humidifier for controlled humidity.

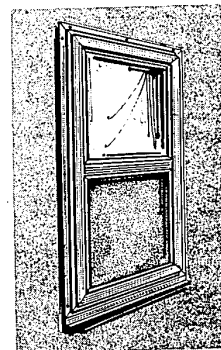

Assure yourself of plenty of hot water. We've AMC water heaters from as low as 49.95 for low capacity models to 104.95 for high capacity. Model shown is 40 gal., 84.95.

Don't wait for the roof to leak, let us install asphalt shingles now. They come in a wide choice of colors to enhance your home.

Lock winter out with heavy duty extruded aluminum storm and screen doors. One-light, \$58*; two-light, \$48*. In black and white at an extra charge.

Prepare now for winter with storm and screen windows in extruded aluminum 2-track, \$16; 3-track, \$19*.
*Plus installation
