Cancer group needs hospice volunteers

The Michigan Cancer Foundation is looking for hospice volunteers. A training course will be in September for individuals interested in helping people with cancer live the final stages of their lives with dignity.

MCF hospice volunteers visit homes in Oakland, Wayne and Macomb counties to offer assistance, companionship, encouragement and support to dying cancer patients and their families. Hospice continues after the patient's death as well, providing a support network to the family throughout the bereavement period.

All prospective volunteers are required to complete a six-week educational course. The course will be 6-9 p.m. Tuesdays at MCF's headquarters, 110 E. Warren in Detroit. Sessions begin Sept. 22 and meet weekly through October.

The course covers such topics as the cancer process, active listening, bereavement, durable power of attorney and the living will. For more information, call Cathy Dominieli at 833-0710, Ext. 488.

We Care!

To you, they're blocks.
To your child, they're patience, aesthetics, learning to balance, and a skyscraper bigger than the whole world.

At KinderCare child care centers, wooden blocks are more than imaginary structures. They're an exercise in skills your child will build on for life. That's why the programs at KinderCare are designed to help your child choose activities that lead to social, physical, emotional and intellectual growth. It's a concept we call Whole Child Development.

If you would like to learn more about our Whole Child philosophy, stop by the KinderCare in your neighborhood. Then, if you enroll by September 30, we'll give you a \$50 savings bond in your child's name. To you and your child, it's one more way that KinderCare helps children build a sturdy future.
