## To you, they're blocks. To your child, they're patience,

aesthetics, learning to balance, and a skyscraper bigger than the whole world.

a skysteraper bigger than the whole world.

At KinderCare duld care centers, wooden blocks are now than imaginary structure.

They're an exercise in alulis your child will build on for life. That is why the program kinderCare are designed to help your child chose activities that it wad to assal, play motional and intellectual growth. It is a concept we call Whole Child philosophy, step by the program worse about our Whole Child philosophy, step by the Child philosophy and philosophy step by the Child philosophy step by th
