A New Yardstick For Passenger Vans.

Don't buy a minivan until you see the new Volkswagen EuroVan. EuroVan is a mid-sized passenger van that seats seven adults and has 23% more space behind the front seats than Toyota Previa. With EuroVan you get more headroom, more legroom, wider seats and a bigger cargo area, too. All this room in a compact, front-wheel drive van that's fun to drive, easy to park and distinctly European. There's nothing quite like EuroVan. Try one on for size.
