We love and proclaim the unconditional free grace of God in eternal salvation. The Bible teaches God the Father eternally sent Christ the Son died for us, the Spirit regenerated us and soon God will glorify us by Himself. We preach the gospel and wide mission and an end soon God will glorify the knowledge of the truth and a life conformed to God's revealed will.

"Exploring God's Word"

The subject of human rights is one that we seldom think about, because we are fortunate to be blessed with them in this country. However, we must remember that although there are large areas in the world where the people's rights have been restored to them, there remain other places where tyranny in one form or another still prevails. While there isn't much that we as individuals can do about it, we can at least attend our house of worship and pray for those unfortunate souls who are not allowed to enjoy the freedoms that we simply take for granted, including free speech and the right to worship God in any manner we choose. Let us pray for the day when all nations can live together in freedom and friendship, beginning with the granting of human rights to their own people.

All men are by nature free... and have certain inherent rights...
- George Mason

"Dellur them who were all their lifetime subject to bondage."
