SHOULD GAYS BE ALLOWED TO SERVE IN THE MILITARY?

HELP US TO INFORM PRESIDENT ELECT CLINTON OF WHAT, "WE THE PEOPLE"

THINK THE ANSWER SHOULD BE.

Many questions have been raised on the issue of whether or not gays should be allowed into our military. Questions we the people have asked, and questions we the people deserve answers to!

Is there a credible basis for continuing the ban on homosexuals in the military? President Elect Clinton wants to drop the ban.

If the ban is dropped, should gays then be allowed to serve in combat? Can it then be proven that homosexuality would have a detrimental effect on the cohesion and or the morale of a combat

No matter what a persons sexual preference may be, should all loyal patriotic American citizens who are physically and mentally able, be allowed to serve in the military?

These are just a few questions that have been raised. In order to send our answers to President Elect Clinton, before the decision is made for us, we need your help to let the President Elect know what WE THE PEOPLE are thinking.

By calling the YES or NO line your voice will be heard. The results of our independent poles will be forwarded to the committee in charge of this issue and the White House.

Your voice can only be heard through this poll if you call the YES or NO lines. Written opinions will be sent unopened along with our poll results.

A portion of all proceeds will be sent to the "CURE FOR AIDS FOUNDATIONS"
