

Readers called to begin dreaming

It's back to the drawing board for Observer & Eccentric readers interested in participating in Landmark Designs' Dream Home survey.

After the results are tallied, Landmark will design a national 1993 Dream Home. Because area preferences vary widely, Landmark will also custom design a home to meet the exact specifications selected by Observer & Eccentric readers. Where response is high, plans for small, medium and large houses will be drawn.

The attached form includes the same types of questions architects, designers and real estate agents ask to determine their clients' housing needs and desires. Readers are also encouraged to attach letters, sketches and any comments — the more details the better — that come to mind. In the 16 years that Landmark has been designing homes, readers have been one of the company's richest sources of new ideas.

Floorplans and artist's renderings of the 1993 Dream Homes

Readers are encouraged to attach letters, sketches and any comments — the more details the better — that come to mind.

will appear on these pages in April.

Last year more than 100 readers participated in the survey, resulting in three model homes designed by Landmark that incorporated the features readers most requested. Those plans called for homes of 1,490 square feet, 2,185 square feet and 3,873 square feet.

Deadline for responding to the survey is Feb. 1. Mail forms to Landmark Designs, Dept. OE48, P.O. Box 2307, Eugene, Or. 97402. To receive a copy of all the 1993 Dream Homes, send \$3 to cover the cost of postage and printing and include your name and mailing address.
