Accounting Professionals

AlliedSignal Automotive, a progressive, multi-national Fortune 25 corporation, has immediate opportunities for several accounting professionals to fill a new shared service processing center located in the west-suburban area.

Responsibilities encompass all aspects of general accounting, including account analysis and reconciliation; as well as reporting and month-end general ledger processing. The center offers a team environment with a high degree of customer service orientation.

The ideal team member will possess: a BS/BA degree in Accounting, 2-5 years general accounting experience within a manufacturing organization, familiarity with mainframe general ledger applications (Walker systems would be a plus), working knowledge of Lotus 1-2-3, good written and verbal communication skills, and comfort within a team setting.

Attractive working conditions, excellent salary and comprehensive benefit programs accompany these positions. If you're qualified and are looking for personal and professional growth within a challenging, team-oriented, environment, we would like to hear from you. Please forward resume and salary requirements in confidence to:

AlliedSignal Automotive, Inc., Attn: HR/Financial Services, P.O. Box 5029, Southfield, MI 48086.
