We interrupt this newspaper to talk about television.

You probably gave it a lot of thought before you ordered cable television, after all, it is an added household expense.

Or maybe you were so excited when cable came to town, you signed up without a second thought. Either way, now you have it, so why not enjoy it even more by using our free **Cable/TV Weekly** book? The one that arrives every **Monday** with your **Observer & Eccentric Newspaper**.

Take a look at what's in there. You'll find interesting features and the usual network listings, but those cable numbers are what we really want you to examine. You see,

they match *your* cable numbers and that makes your cable service more valuable! You'll find all with the numbers the cable company is using in your city! "More for your money" takes on new meaning as you discover that not only are the regular cable channels there, but your *local channels* are listed for you, too.

Cable/TV Weekly advertisers are local business people who are also helping you save money with specials and sales.

So try it. You'll get the most for your cable money when you use the easy-to-find listings and you'll save money by shopping the **Cable/TV Weekly** ads—all with our *free* cable book.
