## Some Quotes from Rush Limbaugh & Consumers Digest about Hot Spring Spas...

1992 CONSUMERS DIGEST BEST BUY

"What is a Best Buy? It offers outstanding value for its price. That doesn't mean it's the most or least expensive. A best buy is identified as a great value, one that merits special attention."  
—Consumers Digest, August, 1992

"Hot Spring Portable Spas... you can relax in your HotSpring on a balmy summer evening or in ten feet of snow. It's healthy... it's calming... folks, you've got to try this."

## WORKING FOR AMERICA.

A pilot with the skill to land a jet on a rolling deck. A computer specialist who can fix a complex navigational system while hundreds of miles at sea. A cook who can prepare a delicious meal for 500 hungry sailors. These people aren't just good, they're the *best*. And it means more to them because they're doing it for their country. They're Navy people, working hard for America. And that makes us proud.
