FOR THOSE WITH MORE SENSE THAN MONEY.

Lease a SAAB 900S
$299 Per Month*
24 Mos., $2,400 Down.

For those who seek a lot of car for their money, but are unwilling to pay a lot of money for their car, we present a highly intelligent solution.

Simply lease a SAAB at the remarkably low monthly payments you see above.

You'll be rewarded for your wisdom with a true European sports vehicle. One whose merits include rally-bred performance, ABS, a driver's side air bag, and a rigid steel safety-cage construction with front and rear crumple zones. Plus the added protection of SAAB'S 6-year/80,000-mile limited warranty.**

Stop by while our special lease terms apply. And test drive a sports vehicle that reflects the state of your IQ, not just the state of your bank account.

*Subject to credit approval and availability from dealer inventory. Dealer prices may vary. Lease payment is $299.00 per month for 24 months (totalling $7176.00). Example for SAAB 9003 2 door, 5 speed, based on MSRP of $21,290. Based on estimated residual of $11,872.50. Customer responsible for first payment, security deposit and destination charges. Payment of $2400 Taxes, insurance, title and registration fees extra. Customer is liable for excess mileage over 30,000 miles and for excess wear & tear.
