

# 'Shirley Cash Talks' to news editor Mike Mallott

LARK SAMOUELIAN

"Shirley Cash Talks" again and again. This inspirational talk show hosts the editor of the Novi News, Mike Mallott. Shirley was thrilled with his interview, summing it up that this man represents "good common sense."

Mike talks about his history in the newspaper business, liability suits that this industry has to deal with, why he endorses particular politicians, ethics of the newspaper business, and even goes so far as to give his opinion on the Novi recall.

Shirley called me to ask me to especially remember one of her guests, who was Maxwell Maltz, the author of "Psycho Cybernetics." Mr. Maltz passed away recently and kindly left a scholarship fund to the Nova University of Fort Lauderdale. Her direction for this scholarship was to carry on the work of her husband in psycho cybernetics.
