Do you realize that many Christians believe the Jesus came to earth to bring peace. Most have never noticed what Jesus said in Matthew 12:12: "I came not to send peace, but a sword." Jesus knew that he came to send peace on the earth. If you're interested in really knowing what the Bible teaches, then you should find a church that preaches what the Bible says. We live by every word of God. Come see for yourself.

GOD GAVE US OUR WORLD TO LIVE IN AND BE ITS GUARDIANS

There is a faction that, judging by their statements and actions, would apparently like to see the whole world covered with nothing but shopping malls and housing developments. Of course, there is an increasing need for these things as our population continues to burgeon, but it would also seem that we could find it in us to leave some space for undisturbed nature. If we were all biology experts, we would understand that God made the plants and animals for a reason, and that they are as helpful to us and to our environment as we should be to them. Otherwise, we could easily turn our planet into a dust bowl. We learn in the Book of Genesis that God made all the animals and plants, and "saw that they were good." So let us respect and protect them; not only for their sake, but also for our own.

Forgive us all our trespasses, little creatures everywhere! - James Stephens
