 A TECHNICALLY ADVANCED CENTER  
**FOR CANCER TREATMENT, RESEARCH AND EDUCATION**

The Michigan Institute for Radiation Oncology (MIRO) is dedicated to curing and controlling cancer by providing the most advanced cancer treatment facility in Oakland and Macomb Counties. In consultation with surgeons and medical oncologists, the radiation oncologists at MIRO deliver the optimum interdisciplinary treatment to each cancer patient. The cancer specialists of MIRO use 3-D computerized treatment planning to envelop the disease with therapeutic doses of radiation while preserving the healthy organs.

The cancer care at the Institute is designed to preserve the respect, dignity and quality of life of the patients and their loved ones.

The Institute prides itself in combining advanced technology with personalized care in a friendly, professional and compassionate setting. A free-of-charge Cancer Information Hot Line connects you to oncology physicians and nurses who will answer any questions you may have regarding diagnosis and treatment of cancer.
