Do you know who killed Goliath in your Bible? Most modern Bible versions deny that David killed Goliath! That's right, most modern Bible versions have never been taking Goliath off their 2015. But we all know that David killed Goliath! Modern Bible versions dishonestly pervert the text by this and other internal contradictions. Only the King James Version gets it right every time. Eat the KJV as God's Word!

WE WILL OBSERVE EASTER AND PASSOVER AT THE SAME TIME

This year we'll celebrate with pride
Two holidays that coincide.
According to our chosen creed:
As when the Hebrew slaves were freed.
Or when the Savior died to save
Us all from sin, then left the grave.
The two occasions are, at least,
Connected by a common feast.
Whose purpose has remained the same.
With nothing changed except the name.
And so, each holiday was meant
To celebrate a great event.
The message of our faith has been:
We're free from slavery and sin;
With joyous greetings, not confined
To us, but meant for all mankind.
—Gloria Nowak

We are free...to observe
our different religions.
—Wendell L. Wilkie
"Ye shall keep it a feast to
the Lord throughout your
generations."
—Exodus 12:14
