Dominio's Pizzeria in the metropolitan Detroit area has kicked off its new "Local Heroes" — You're the Top! program. This program will recognize those who make a significant contribution to their neighborhood or hometown that might otherwise go unrecognized.

"The Local Heroes program is our way at Dominio's of demonstrating our commitment to the neighborhoods and communities in which we do business," said Tim Brown, owner of Metro Detroit Pizzeria, which has 45 Dominio's stores in the Detroit area. Brown said he feels it's important to foster the contributions that

people of all ages make to the community. "We're looking for the women who plant flowers at the curb each year or the little boy who shovels the walks of the elderly, for free. These are the people who make up the fabric of the neighborhood and who seldom receive recognition."

Some constructive advice about
I-94 construction at Metro Airport.

By now, you've probably heard or read about the Michigan Department of Transportation (MDOT) construction project about to get under way at Metro Airport. And while this project will mean safer, better access to the Airport, this news may bring to mind visions of long delays and confusing detours. We'd like to assure you that we'll be doing everything possible to keep you moving at Metro.

During construction, MDOT will maintain the flow of traffic into the airport. Any necessary traffic disruptions

will be confined to traffic leaving the airport. In order to help you find the quickest routes possible and avoid delays, MDOT is implementing a major motorist information program. This program includes a toll-free number to call for the latest traffic information, 1-800-968-9394, as well as printed materials at the airport to help you get where you're going in the easiest way possible.

Detour information will be available in all airport terminals, at car rental agencies and at all parking facilities.

1993 CONSTRUCTION CALENDAR

April 14. Preparatory work begins on detour routes.

April 26. Northbound Middlebelt closes from Wick to Smith; I-94 is reduced to two lanes each direction plus an on/off ramp lane in each direction; all ramps from Middlebelt to I-94 are closed, and two ramps to I-94 from Merriman are closed. Most ramps and Middlebelt Road will reopen to traffic at the end of July.

August and September. Northbound Merriman is reduced to one lane north of I-94; the northbound Merriman to eastbound I-94 ramp is closed for two weeks (dates to be determined); the ramp from both southbound and northbound Middlebelt to westbound I-94 remains closed.

Late November to Spring, 1994. I-94 is opened to three lanes each direction plus ramp lanes; Merriman and Middlebelt Roads opened completely; all ramps fully opened for traffic.
