Have you ever wondered why Jesus looks like a peasant? Most Christians think that pictures made the gospel easier to understand. The truth is that Jesus looks so peculiar so that his followers would NOT understand what he was saying (Matt. 13:13-17). Jesus explained his parables to his disciples later in private (Matt. 13:34-35). If you're interested in learning more about the real Jesus of the Bible, come worship with us.

YOUR FAMILY, YOUR GREATEST TREASURE, CANNOT BE TAXED

Up to a point, taxes are necessary to pay for vital government services at all levels, such as police and fire protection, national defense and various social programs. Our legislators will always argue about other expenditures, as to whether they are necessary or merely a frivolous waste of the taxpayers' money. They would do well to arrive at a balance; and so would we, the wage earners—fathers and often mothers, working so long and hard to amass a fortune that the children get to know the baby-sitter better than they do their parents. Suddenly, they're grown up, and all those years have been lost. Your House of Worship will teach you that your greatest fortune is your family, and one on which you will never have to pay taxes. So spend more time with them while they're still young.

There is no wealth but life.
— John Ruskin

"A man's life consisteth not in the abundance of the things which he possesseth."
— Luke 12:15
