TRY BEFORE YOU BUY IN YOUR HOME OR OFFICE

If you are looking for a store that is dedicated to your total physical well being, then stop by The Training Effect of Birmingham. The Training Effect is a year-round "fitness" equipment store operated by an experienced sales staff that you can consult on the numerous amount of items which contribute to your overall physical good health.

Among the high quality aerobic and weight training equipment, you will also find portable spas, minerals for your own private mineral baths, air and water filtration units and trampolines. The Training Effect works closely with area hospitals by supplying medical rehabilitation and inversion therapy equipment. On top of all this, you can find a selection of fitness accessories including pulse monitor, fitness and dietary literature and stop smoking support systems.

Thinking about buying a piece of equipment but haven't because you're not sure if you're going to use it? The Training Effect has a unique plan which will allow you to rent any major piece of equipment before you make a decision to purchase. In addition, you professionals and businesses can use their lease program to fulfill your fitness needs.

The Training Effect is a family owned business operating since 1986 with additional retail and full service and home office locations in Rochester and Oxford. A supplier and full service agency to medical and commercial as well as residential customer. The Training Effect of Birmingham is the one place to go for your fitness, fun and good health.

LOOK THROUGH THE KALEIDOSCOPE ... AND BEYOND

Rand Moorhead, Dee Moorhead and owner Ellen Schirmer

These mirrored tubes of magic are being recognized and accepted as valuable art. For over a decade, Ellen had been building the area's largest collections in all price ranges. And they make great gifts!

Come in and see our newly remodeled store. We are enhancing our collection of local art and pottery.
