

### ONE-OF-A-KIND PERSIAN RUGS

Those with the taste for finer things in life understand the value of art.

Persian carpets are a symbol of the art, history and romance of ancient civilization.

If you are looking for a unique decorative addition to your home, consider investing in a one-of-a-kind new or vintage Persian carpet. Woven Treasures can help you find the perfect accent by actually visiting your home to assess your decorating needs. You don't even have to visit the showroom!

At Woven Treasures the emphasis is on quality rather than quantity, so you can rest assured that your purchase is one to feel confident about. They are very customer-oriented, with the proprietor working one-on-one with the client, to assure a perfect match.

Woven Treasures has been serving Birmingham and the surrounding communities with quality merchandise and superior service for years. Among the unique items on display is a signed, 990 knot/square inch Isfahan rug, woven on a silk foundation with lambswool pile.
