Most Christians believe that Jesus gave the "Great Commission" to all believers, past and present, but the fact is that Jesus specifically named only two persons to go into all the world (Mark 16:15-16). These men were specially enabled with signs and wonders to perform the commission, and gave what they were told: "They went forth, and preached everywhere" (Mark 16:20). Come learn what Jesus wants us to do today.

**COUNTRIES AS WELL AS PEOPLE SHOULD BE GOOD NEIGHBORS**

People who are next door to each other always the happier lives when they become good neighbors and help each other when they are needed. The same thing is true of countries, and throughout their existence, Canada and the United States have been shining examples of cooperation in wartime and peacetime; and also in famine, during the baseball and hockey seasons. All of this is in sharp contrast to some other nations of the world that seem to be in a perpetual state of turmoil, even within their own borders. Our House of Worship underscores the concept of "love thy neighbor," emphasized throughout the Bible, and it should certainly apply to countries as well as individuals; as exemplified by the long-standing good relationship that has endured between Canada and the United States.

That long frontier is an example to every country and a pattern for the future of the world.  
-Sir Winston Churchill
