IF YOUR KIDS CAME HOME WITH A REPORT CARD LIKE THIS, YOU'D PRINT IT IN THE PAPER TOO.

BMW has many reasons to feel proud of the cars we build. After all, we've earned a position of leadership in the luxury car segment worldwide. And we're dedicating ourselves to even greater growth in the American market. A dedication evidenced by building a new manufacturing facility in South Carolina, coupled with a concern for the environment that goes beyond the recycling of our cars. And to make both buying and owning a BMW automobile easier than ever, we've created BMW Financial Services NA, Inc. to offer special lease and finance terms, as well as the BMW Premier Care program to provide a complete system of automotive maintenance. So although BMW works hard to get such high marks, it's worth it to be at the head of the class. We welcome comparisons.
