AFTER SCHOOL IS OUT, YOUR EDUCATION SHOULD CONTINUE

You have received your diploma from high school, college, or whatever level of education you have chosen to attain, and now you are about to embark on the vocation for which you have prepared yourself. However, your acquisition of knowledge should not stop there. It is now time for you to learn something about life, and this world in which God has chosen to place you for reasons of His own. This other school you should attend consists of only a once-a-week course, at your House of Worship, unless you decide also to enroll in the accompanying Bible class. You will learn about this universe that God made, of which you are a vital component. This is as much a part of your education as your formal schooling, and it's a course in life from which you will never graduate.

The desire of knowledge... increases ever with the acquisition of it.
—Laurence Sterne

"Give instruction to a wise man, and he will still be yet wiser."

Many churches teach that a person must put their faith in Christ in order to be saved. However, the Bible teaches that faith is a fruit or result of the Spirit of God in a person's life. It is not a work that we do, but a gift that is ALREADY provided by the Spirit of God and is ALWAYS a result of His work in our lives (1 Cor. 12:13). If you would like to learn more about the true purpose of faith, come worship with us on Sunday.
