CITY OF FARMINGTON
NOTICE OF PUBLIC HEARING
ON INCREASING PROPERTY TAXES
AND TO REVIEW 1993-94 PROPOSED BUDGET

The City Council of the City of Farmington will hold a Public Hearing at 8:00 p.m., on Thursday, June 7, 1993, in the Council Chambers in City Hall, 23800 Liberty Street, Farmington, Michigan, 48335, on a maximum proposed increase of 1.98 mills in the operating tax millage rate to be levied in 1993-94 and on the proposed 1993-94 budget. In the previous year the city levied 10.5400 mills (\$10.5400 per \$1,000 of State Equalized Valuation, SEV) for city operation and Charter limited debt service and an additional 3.1300 mills (\$3.1300 per \$1,000 SEV) was levied for city unlimited debt service for a total millage rate of 13.6700 mills (\$13.6700 per \$1,000 SEV). State law, (Act 5 of 1982) provides that the base tax rate for 1993 city operating taxes be reduced from 10.5400 mills (\$10.5400 per \$1,000 SEV) to 9.9582 mills (\$9.9582 per \$1,000 SEV). This is a .58 mill (\$.58 per \$1,000 SEV) lower tax rate than the 1992 operating tax rate.

The cost of personnel, health insurance, employee salaries and fringe benefits, and general inflationary increases in goods and services purchased by the city will increase the General Fund operating expenditures in Fiscal year 1993-94. Revenues from other sources will not be adequate to offset the increased cost of providing services.

The increase in the cost of providing essential services makes it necessary to increase the millage rate for 1993. The maximum total proposed millage rate will be 14.17 mills (\$14.17 per \$1,000 SEV). This millage rate will result in a 4.58% increase in revenues if assessed valuations are additionally limited by constitutional amendment or state statute. If the proposed additional millage rate is not approved the operating and limited debt service revenue will increase by 1.48% over the preceding year's operating and limited debt service revenue. Individual property taxes may increase greater or less than the estimated average. The date and location of the meeting to take action on the proposed additional millage will be announced at this public meeting.

Public comments, oral or written, are welcome at the hearing on the proposed millage rate and on the proposed budget for FY 1993-94.
