

RECREATION NEWS

Each week, the recreation division of the Farmington Hills Department of Special Services presents a synopsis of upcoming activities in this column. For more information regarding programs, call the recreation office at 473-9570. For the city council agenda items, call the Newsline at 476-3638.

AMUSEMENT PARK TICKETS
Tickets for your favorite amusement park can be bought at a discount rate at the recreation office. If you are going to Boblo Island, Cedar Point, Detroit Zoo, Four Bears Waterpark, Kings Island, Sea World or Great America, stop by for a savings on tickets.
Please note: The prices listed in

the 1993 summer brochure for Boblo, Cedar Point (adult) and Crossroads Village (child) were printed incorrectly. The correct prices are: Boblo (Gibraltar) \$16.50, Cedar Point (adult) \$20.60 and Crossroads Village (child) \$4.25.

DAY CAMPS
Openings are still available for

Camp Wee Wonna (ages 3-5), Camp All-U-Wonna (ages 6-8), Camp Com-On-A-Wonna (ages 9-12) and Nature's Way Camp (ages 6-8 and 9-11). All camps will be at Heritage Park beginning the week of June 21. Fees range from \$65-\$75 per person.

CHILDREN'S TOURS
Children can discover the fun-filled locations within Southeast Michigan during this week-long program. They will visit both edu-

cation and recreation sites. Children ages 6-8 can register for sessions that run June 21-25, July 5-9 and July 19-23. Sessions available for children ages 9-12 run June 28 to July 2, July 12-16 and July 26-30. Fee is \$75 per person per session. Children should bring a sack lunch.

STARS IN THE PARK
Bring your lawn chair or blankets and listen to the sounds of "One Flight Up" on June 10 at Heritage

Park. Concerts begin at 8 p.m. and there is no charge.

SWIM LESSONS
Swimming instructions for beginners through advanced skill levels are offered at Harrison High School. The program is for two weeks, Monday-Friday. Lessons are 60 minutes in length. The first session begins June 21 with levels 1-5 at 10 a.m. and noon. People in levels 6-10 begin at 1 p.m.

Traffic from page 1A

Among those who agree is William C. Hartwig, administrator of project planning at the Michigan Department of Transportation (MDOT). "As that area continues to grow, so do the traffic problems. They're not going to go away."

That realization — that traffic problems "won't go away" — seems to be at least part of the reason three separate entities are hoping Wednesday's meeting is successful.

Besides MDOT, the Southeast Michigan Council of Governments (SEMCOG) and the Road Commission for Oakland County

are involved in the preparation leading up to the meeting, said Hartwig.

"And we've allocated \$27 million (over three years) to help find a solution to those traffic problems," he said.

When it comes to highway projects, \$27 million might be considered small change, especially if any possible solution includes creating a boulevard along Fourteen Mile from Orchard Lake to Hegerity, as some propose.

That \$27 million is even less significant, he said, if large portions of it are needed for right-of-

way acquisition. Buying land is increasingly expensive.

Even so, Hartwig — like Hood, Grant and others — view Wednesday's meeting with optimism. Nobody wants to create unrealistic expectations. "But it could be a beginning," he said.

Farmington Hills city manager William Costick said this kind of informational, get-acquainted meeting is overdue.

"Extending Northwestern Highway may be a dead. But perhaps we can talk about doing something with Fourteen Mile Road."

When it's a matter of the heart...think PROVIDENCE first

Cardiac Services at Providence

Providence offers a complete range of cardiac services from our Chest Pain Emergency Unit to care for you when you first experience chest pain through diagnosis, treatment, open heart surgery and rehabilitation.

HEART DISEASE is the number one killer in the United States. Providence physicians are trying to lower the risk of heart attacks for their patients before a heart attack occurs.

Providence Offers...

- Board-certified Cardiologists and Cardiac Surgeons...some of the best in southeast Michigan
- Chest Pain Emergency Unit...the first of its kind in the area.
- Emergency Room Doctors and Nurses...specially trained in cardiac care procedures.
- Diagnostic Testing and Interventional Techniques...very important tools for detecting and controlling heart disease.
- Cardiac Surgery...since Providence began its program in 1989, more than 1200 open heart procedures have been performed.
- Cardiac Surgical Unit (CSU)...10-bed state-of-the-art surgical unit to provide care during the critical hours and days after surgery.
- Cardiac Care Unit (CCU)...for patients with heart disease who need and will benefit from close and frequent observation by highly skilled personnel.
- Cardiac Rehabilitation...tailors the program to meet the needs of the individual with a goal of returning the patient to a new and healthier lifestyle.
- Personal care...the something extra that has been our hallmark for nearly a century and a half.

Take care of yourself. Eat right, exercise, make your goal a healthier lifestyle. Prevention not treatment, of heart disease must become a way of life. But if you or someone you know needs cardiac care, think PROVIDENCE first.

For more information about the cardiac care services offered at Providence or for a referral to a Providence Cardiologist or Cardiac surgeon, call 1-800-968-5595.
