

# HIGHLIGHTS

In the three-hour A&E special presentation "Look at It This Way," airing Tuesday, July 6, David Dukes

plays Tim Curitz, a London columnist who writes about his city for a New York magazine. He falls for Victoria (Kristin Scott Thomas), an advertising executive who just dumped her boyfriend. This satirical look at contem-

porary London life also features Jimmy Jewel as a man who became an overnight hero in the 1930s by killing a lion with a penknife and Lionel Jeffries as a washed-up entertainer.
