The world is filled with men and women who glory in their own health, intelligence, and power. But the Bible teaches that God dwells in those who glory in knowing and understanding His Word (Jer. 9:23-24). The God of the Bible wants men and women to glory in His Word and His Word alone. Is that your greatest concern? Do you rejoice first and foremost in your knowledge and understanding of God? Our church grows in God!

ESCAPE TO THE COOL COMFORT OF YOUR HOUSE OF WORSHIP

God made the four seasons of the year for many purposes. In addition to the special beauty displayed by each of them, they were created to sustain all earthly life, including our own food supply.

The heat of summer is an important part of this annual cycle, and although it may cause us some discomfort, there are many ways of circumventing that, including spending time in air-cooled theaters and stores. The easiest way, and the one with the most lasting benefits, is attending your house of worship regularly. Its cool inside, but the inspiring messages we can receive there will stay with us a lot longer than the air conditioning.

Indeed, each season, including summer, has its individual purpose, but the one that's timely for all seasons of the year is our faith.
