DEARHEART

*Dearheart  
wishes you  
were there*

The Dearheart's arched, multi-paned windows over the door make for a dramatic entrance, framed by a high-gabled entry portico and flanked by sidelights.

Kitchen, family room utilities and a bathroom are clustered at the left end of the house, next to the three-car garage. Formal spaces are at center, and sleeping areas are to the far right. The master suite, an open loft, and an office (or sixth and seventh bedrooms) are upstairs.

A bridge at the top of the stairs overlooks the living room and the foyer. Both the living room and family room have a fireplace, woodbox and wide hearth.

Cupboard and counter space in the sunny, spacious kitchen is augmented by a long eating bar and a work island with cooktop. French doors in the family room open onto a deck that spans the back of the house. Two compartmentalized bathrooms serve the four bedrooms downstairs.

For a study plan of the Dearheart, Plan 332-203, send \$7.50, including plan name and number to Landmark Designs, P.O. Box 2307, Eugene, Ore. 97402.
