Many people say they hate grammar. But it is very  
important to know how to use words. "Whoever  
ELEVATES HIS VOICE IS THE CHRIST (SON OF  
GOD)" (John 8:1). The verb "elevates" is present  
tense, showing what is taking place now. The verb  
"is born" is perfect tense, pointing out action which  
was completed in the past, before the person  
believed. Thank God He gives life by new birth so  
we can believe!
