

Come to Our Jubilee Sale

Twenty-five years of mammoth production on an economical basis, more than two decades of efficient service, a quarter of a century of progress and prosperity resulting from public confidence.

Such is the amazing record of the ten thousand Rexall Druggists who will commemorate one of the greatest achievements in the history of modern business in a nation-wide Silver Jubilee Sale to be held in cities, villages and hamlets in every State of the Union.

This Sale gives you an unprecedented opportunity to save money on both luxuries and necessities, and is made possible by the benefits which we derive from the purchasing, manufacturing and distributing powers of our Rexall partners in a world-wide business.

The goods are all of standard quality; such as are sold in large quantities at regular prices during other periods but during the Silver Jubilee you can get this merchandise at prices so much lower than would otherwise be possible that you can solve one of your big problems, and that is to increase the buying power of the American Dollar.
