SCOUT LEADER RESIGNS

The Girl Scouts of Walled Lake lost a valuable and conscientious leader this week in the resignation of Mrs. L. M. Philip as captain of the local troop. Mrs. Philip's work with troop was preceded by much preparation, including attendance at the leaders school in Pontiac for six weeks before taking over the work.

The troop, which consists of 17 girls, all of whom have passed the tenderfoot test, secured their uniforms and are working on their second-class work. They have put on several public exhibitions and out of 34 troops in the County the Walled Lake troop was the only one to attend a summer camp. They will put on an exhibition at the Fair at the school next week.

It's up to a man to sit down and contemplate a standing offer.
